

Ancrum One

GP Vacancy –Salaried/Partner

6-7 sessions

Drs Clarke, Sinclair & Gill

Ancrum One

Ancrum Medical Centre

12/14 Ancrum Road

Dundee

DD2 2HZ

Ancrum One are seeking an additional GP for 6-7 sessions per week. We are a small, very friendly team and would love to welcome another GP into our practice

We currently have three GP partners and one salaried GP, working flexibly with our supportive, well organised clinical and admin support team. We are a forward thinking and highly motivated Practice, and are keen to ensure any new GP has the opportunity to develop. We are a long established postgraduate training Practice and all current GP Partners are involved in educational roles; we would be supportive of any GP developing an interest in this area.

We deliver high quality care for our patient population from our Practice premises which are in close proximity to Ninewells Hospital in Dundee. The Practice is located within two converted traditional stonebuilt houses, creating spacious and welcoming consulting rooms. The building is owned by some of the Partners of the two practices who share the building.

Key facts

- Patient List Size – 5112
- Telephone triage in operation, with face to face appointments booked only by clinicians
- 15 minute face to face appointments
- Weekly practice Management team meeting and weekly full team huddle
- Robust Chronic Disease Management Systems in place
- Excellent results in patient access surveys
- IT systems: Vision and Docman
- Ps are supported by 1 Advance Nurse Practitioners and 2 Practice Nurses
- Close links with local MFE team and regular MDT meetings to support care of frail elderly population
- Excellent administrative and support team with increased training to support GPs in their role
- Postgraduate teaching practice with established in-practice GP trainers
- Option to participate in extended hours
- Eligible for Golden Hello from NHS Tayside subject to normal criteria
- Premises: No buy in required, but potential for future building ownership if desired

We would welcome informal discussion and/or a visit prior to application.
