

Partner / Salaried GP Opportunity Montrose, Angus

We are a friendly, forward-thinking teaching practice based in the vibrant coastal town of Montrose, in northeast Angus. Located within easy commuting distance of Dundee and Aberdeen, Montrose offers the perfect balance of professional opportunity and lifestyle – with the stunning Angus Glens, beautiful beaches, and local community right on your doorstep.

Our modern, purpose-built health centre sits just moments from the beachfront, providing an inspiring and well-equipped environment in which to work. Led by four experienced GP partners, we are committed to delivering exceptional patient care while fostering a positive, supportive working culture. We truly value teamwork, wellbeing and flexibility, offering tailored working arrangements to suit individual preferences, lifestyles and family commitments.

Practice Highlights

- Patient list size of approximately 7,260
 - Multidisciplinary services on site, including dental care, podiatry, physiotherapy
 - Award-winning mental health & wellbeing services
 - Care & Treatment Centre (with MIU services)
- Teaching practice for GP trainees, medical and nursing students
- Highly skilled and supportive nursing team, delivering minor illness and chronic disease management
- Experienced and efficient administration team
- Close collaboration with community nursing, health visiting, and midwifery teams
- Regular MDT meetings, cluster engagement and weekly practice meetings
- Enhanced support from:
 - On-site pharmacist (medication reviews), Social Prescriber, Physiotherapy (FCP)
- Additional clinical support:
 - Urgent Care Nurses (ANPs) funded by the Health Board
 - Advanced Paramedic Practitioner employed by the practice
- Clinical systems: Vision and Docman
- Historically high QOF achievement and strong, stable earnings
- Consistently excellent patient feedback
- Shared premises with other practices

What We Offer

A genuinely supportive, collaborative team environment, opportunities to develop teaching and specialist interests. A practice that prioritises staff wellbeing and work-life balance and eligibility for a Golden Hello payment.

Main duties of the job

Primary care clinician duties, including (but not limited to) face to face and telephone consultations, queries. Home visits, duty doctor/on-call responsibilities, clinical admin, prescribing, and dealing with queries, paperwork and correspondence in a timely fashion.

We would be delighted to welcome informal enquiries or arrange a visit so you can experience the practice and team first-hand.
